Reflection.

The Father, Son and Holy Spirit, all three persons reveal the fullness of the unity of God's love. In honouring the Holy Trinity today we celebrate the awesome determination of God's extravagant love for our world. On God's love we can depend as it is not withdrawn when the misfortune comes. It is the love that sees beyond our frailty and faults because it sets no limit to forgiveness. God sent his Son into the world not to condemn the world, but so that through him the world might be saved. In today's Gospel reading Jesus meets the personal caution of Nicodemus with the affirmation of God's universal love. God's relationship with the world is rooted in love which gives us our essential dignity. God's love is all the more significant because it is fully aware of the sin and brokenness that are part of our lives. It is a love that faces the complexity of the real. That same truth is underlined in today's first reading. Moses admits to the truth that the people are headstrong with the litany of sins and faults to their names. But this does not alter God's nature of being 'a God of tenderness and compassion, slow in anger, rich in kindness and faithfulness'. The Holy Trinity does not retire from the task of loving the world. God's love is sure and everlasting. As children of the one God we never grow out of the need of his love. Neither do we outgrow the responsibility to share it with others. As St. Paul says in today's second reading: let us "Live in peace, and the God of love and peace will be with you".

**In the Month of June
we honour the Sacred Heart of Jesus.
Padre Pio:**

Let us remember that the Heart of Jesus has called us not only for our own sanctification, but also for that of other souls.

Summer in the Forest. This is the title of a remarkable new film about the inspirational Catholic philosopher Jean Vanier and the L'Arche communities he founded, being released in the UK on Friday 23 June. The film tells the story of the search for love and friendship by the intellectually disabled members of the the L'Arche communities in France and Bethlehem. It is comic, touching and moving. As one critic said ... 'it is extremely rare for a film to have the power to change lives - this one really might'. It will be released at Picture House Piccadilly and will be showing for 7 days - and there will be a special screening at Clapham Picture House at 6.30 pm on Thursday 29 June - followed by a Q & A with the film.
